[REDACTED]

[REDACTED] requested that her retirement, scheduled for 30 November 1971, be further deferred until 30 November 1972 for compassionate reasons. [REDACTED] who became 60 years of age in January 1971, was previously granted an extension from 31 January 1971 to allow her to complete a second tour of duty in [REDACTED]. Due to a change in plans her initial tour of duty in [REDACTED] was extended until March 1970, at which time she was reassigned to Headquarters. With this extended tour she completed 60 months of overseas qualifying service and she was nominated for participation in the CIA Retirement and Disability System. On 22 May 1970 she exercised her option not to become a participant in CIARDS in order to remain employed until November 1971. [REDACTED] stated that she is the sole support of an older sister, who has no income and who requires constant medical care, and she contributes \$25.00 each month to the support of another sister. She further stated that she needs her current income in order to care for herself and her sisters, and she noted that this additional year will increase her annuity by approximately \$63.00 per month.

The Director, [REDACTED] stated that [REDACTED] can continue to make good use of [REDACTED] services since, in addition to her other language abilities, she is one of their two best [REDACTED] linguists and she is very definitely needed on the job. The Deputy Director for Intelligence concurred in this extension and stated that it will be advantageous to [REDACTED] and to the Agency.

[REDACTED] appeared before the Board and further explained her sisters' dependency on her for financial support. In discussing this case the Board noted that [REDACTED] does not have a personnel surplus problem, that the [REDACTED] stated that [REDACTED] efficiency remains unimpaired and that her services are needed, and that the DD/I stated that this extension will be advantageous to the Agency. The Board recommended that [REDACTED] be granted a further deferment of her retirement until 30 November 1972 based on the compassionate reasons involved and in consideration of the fact that her services are needed for operational reasons.

4. The next case was a request from [REDACTED] to be removed from CIARDS and returned to his former coverage under the Civil Service Retirement System. This request was in the form of the fifteen-year election memorandum offering him his vested right to elect to remain. [REDACTED] stated that he did not wish to remain in CIARDS since he has already completed 35 years of creditable service and will, if he retires after December 1972, receive a higher annuity under the Civil Service System. The Board recommended that [REDACTED] be removed from CIARDS in accordance with the established policy concerning employees who will receive a higher annuity upon retirement under the Civil Service Retirement System.

5. The final case was the Fifteenth Anniversary Review of [REDACTED] 25X1A9a
[REDACTED] who will complete 15 years of Agency service on 4 June 1971. Miss
[REDACTED] has completed 49 months and 24 days of overseas qualifying service.
The Deputy Director for Plans stated that [REDACTED] has performed no domestic 25X1A9a
service which can be considered as qualifying service, and he recommended
that she be removed from the System. The Board recommended that [REDACTED] 25X1A9a
be removed from the System based on not having completed the criteria specified for
the 15th Anniversary Review.

6. The meeting adjourned at 2:45 p. m.
